

Dear Friend of EPES,

As a special friend of EPES, you are invited to join us for wine and cheese to help launch the #EPESCenterofHealth campaign which is part of #GivingTuesday a global day of celebration dedicated to helping others through the gift of donation, time, goods, your voice.

Last year, we raised over \$35,000 that was matched by two enthusiastic EPES supporters. This year our campaign starts November 1st and ends November 29 on Giving Tuesday. We are happy to report we again have a generous donor who will match every dollar up to \$15,000. Additionally, we're looking for individuals to help us kickoff the campaign and we'll share easy tips and tricks to get started.

Amanda Lotspike, will be joining us to give an update as to what EPES has accomplished and how they plan to impact the community this coming year.

Amanda was an intern at EPES and participated in the IV Escuela Internacional. She is currently pursuing a master's degree in Latin American and Caribbean Studies at New York University as a FLAS Fellow.

Please join us as we celebrate EPES!

Looking forward to see you the 6th,

Sheila, Betsy, Sarah, Elise, Tim, Susan W., Tatiana, and of course Karen

P.S. Our support helps keep EPES' strong and independent voice in the fight for health in Chile – they recently led the 5th Regional Gathering for Justice and Dignity in Health bringing together health care unions, patients' rights organizations and others to help build a national movement for public health.
